ONE DAY DONATE

The initiative of monthly recalculation of one-day salaries for the Armed Forces is a feature of the of the SaveUkraineNow (SUN) coordination center.

Regular monthly contributions allow you to plan purchases, reserve shortage goods, order individual production, order separate production, buy in bulk at a better price, and cover expensive items that are very difficult to purchase on their own. Contributions from the one-day earnings initiative account for about 80% of all SUN.

In 2023 the initiative brought together 4100 people!
